题目①

Dear Peter,

How is it going?

Dear Peter,

How is it going?

We will share the plan for Father's Day next week. I am going to do some meaningful things for my father. Firstly, I am going to buy a beautiful card for him. And then, I plan to cook him a big meal. Though I am not good at cooking, I can ask my mother for help.

I will do this because I love my father deeply. He works very hard every day to support my family.

Would you please give me some advice? I am eager to receive your early reply.

Yours,

Li Hua

题目②

Now there are many environmental problems. Such as air pollution, water pollution and so on.

I believe that there are many things we can do in our daily life, we can save energy by go to school by bike or on foot. We can use less water by turning off the tap while we brush our teeth, and taking shorter showers. When we see litter on the ground, we must pick it up and put it into different bins.

I hope everyone can take action. Although each one of us may only do a little, together we can make a big difference. Let's work together to make a better place to live.
